“ Quiet, funny, loved animals of any sort...these are things I remember growing up with Darlene. She would rather be outside than in, regardless of the weather, and I often saw her walking on McCallie Road. Though she was often seen as a loner, Darlene had many special qualities. Not the least of these was her ability to make me feel better when I was down. I was away for most of her adult life, and I regret that. Still, she gave me some sweet memories. GOD bless you all as you learn to live without her presence. Thanks be to HIM, this is not the end...we will be with her again.
