“ He was a great preacher. I remember hearing him preach at Calvary Chapel in Minster, Ohio many years ago when I was a teenager. That was almost 48 years ago. I still remember most of the message about the Generations Of The Heavens And The Earth. It's one of the messages that got me interested in eschatology. I am glad he is now safely with Jesus.

“ 2024 - We just finished listening to one of Brother Darrell's cassette tapes - entitled: One World Gov't.! That was back in the mid 80's. We can now see how accurate his understanding was of the 'ten toes' prophecy in the O.T. So thankful, though of his hope for Jesus soon return - he is with His Savior right on time! As for us... we're in our late 60's and mid 70's ... and might actually get to witness Jesus' return!!?  
God bless the Dunn family - on this 7th year since Darrell's Homegoing! See you later, in GLORY! Jack and Sandy Hendricks, Charlotte, NC

*Darrell Dunn was by far the best preacher I have ever heard. In most of his sermons he would send a chill up and down your back. And after listening to anyone of his sermons when you would open your bible you just sat there and would think we'll go on speak to me! I have been trying to get in touch with him for years. My heart goes out to his family what a remarkable Evangelist he was. God bless you all. I can remember his sermons Judgement seat of Christ, the White throne judgement, line up of the planets, impossible sins for Christian, one world government. And many many more. May God Bless you all.*

*I never met brother Darrell but while I was stationed in Germany in the Air Force, a Christian brother Ken Will gave me some cassette tapes of Darrell Dunn and through his powerful preaching of Christ Jesus my life as a new Christian was changed and strengthened. I played his tapes hundreds of times and shared them with others also who were very glad to hear him. I believe God gave Darrell a special ability in his powerful preaching to reach into the very soul and spirit of lost men to reveal to them their need to be saved. As a Christian I long to meet my loving Savior and God Christ Jesus and I know I'll meet brother Darrell in the Kingdom of God. God bless and keep the Darrell Dunn Family!

“ Dearest Betty, Deborah, David, and Michael: Wow, our families got together every March for what seems like 100 years. We had Sunday dinners, shopping in Gatlinburg, Dollywood etc during that time. We have been through the loss of our son, the loss of both my brothers, then the loss of my Dad. I can imagine he and Bro. Darrell had a happy reunion up there. Mother is 92 and still going fairly well. Our prayers are with you. The God of all comfort will wrap His loving arms around you and give you peace. He'll make His face to shine upon you. We love you all and we loved Bro. Darrell.

*So sad to hear this sad news. He was the best ever. His tape ministry was amazing. I have been looking for him since 1980. To say he was a man of God is an understatement. I can remember a lot of his tapes to this day. I only have one left- impossible sins for Christians. A lot of his tapes sent a chille down your spine. So Spirit filled. My condolences go to his family.*
