“ I remember Uncle Bud driving the semi and he would let Karen & I in it. Aunt Faye and Uncle Bud also took care of use while our Dad was remodeling the house we moved into. I also remember riding in the car with him and he said "look no hands". Aunt Faye and Uncle Bud was good to Karen & I. Had good times with my cousins. I pray the Lord will give you peace during this time of grief

Yes, Peggy and I spent a lot of time with Bud and Faye. Bud would be silly and pop his teeth out and take us with him when he would run around town. I think he liked me best because I was the youngest and smallest. He always made me feel important and loved. Faye did also. When I wanted to help with the ironing one time , She let me iron Buds handkerchiefs . I was so proud to show him what I had done. I was so sad when you all moved away. Love and Prayers to all of you.
