“ My thoughts and prayers are with the Boyton family. I knew David from our time together while working for the City of Macon. His mild manner and upbeat outlook each day was infectious and an inspiration to me. May God's grace be upon the family as He receives David into His kingdom.

“ I am also a retired employee of the city of Macon (Macon Police Dept.) and spent numerous hours talking with him. David was soft spoken and not so talkative until He felt you out. He then would open up and you learned how smart this guy was. I really learned a lot just by hearing what he really thought about things in general in other words we shot the breeze. I will miss my friend and I want the family to know that Ya'll are in my prayers. GOD bless.

“ He was my daughter-in-law's dad & always seemed to be such a sweet, friendly, Christian man. He accomplished several building projects for my son at his work & at home. Always a person ready to lend a hand. I am so very sorry for his passing & send love & prayers to his family.

“ Brother David and Mrs Katherine were instantly my favorite people when they started coming to our church. They were such sweet and amazing people. They always made me feel like I was home even after I moved away and came to visit. Lots of love to Mrs Katherine and the family from Sarah.
