“ I'm saddened. I just now found out. I'm truly sorry to his family. I love this family. David and I had great moments together in the insurance business and even after insurance our friendship continued. I worked some with David and he taught me what I know about carpentry. He taught me how to build decks and how to keep my collars clean when I wore my suits. He taught me a great deal. It was David that brought me before my first church to be voted in as a Pastor and I was just learning how to build sermons. Keith Baptist showed great confidence in this Preacher when I felt I wasn't even ready. If it wasn't for David it might had been years later before I got started. I'm grateful to our Lord and Savior for allowing David to be in my life at that time. I'm sad this night to hear he has left us. But I'm rejoicing that he is in Glory.

“ David has always been a loving brother & friend to me. He's always been calm, understanding and forgiving, constantly displaying a loving heart as big as a mountain.  
He always displayed Christian actions and loved his family, wife and son. I always enjoyed working on your old cars with you and you teaching me to run a spray gun.  
You put up a great fight against that bad disease. Im so glad our Father in heaven called you home. No more suffering or sorrow. Go rest high on the mountain Brother!  
I've always loved ya & looked up to you.  
Until we meet again,  
Your brother Always!
