“ David will truly be missed at work, He loved to laugh and clown around, but when it came to his job he took it very serious. I got to know David over the last year and a half, he was so easy to get along with, and I felt I could talk to him about anything. He was so proud of his new grandbaby. If the family needs me and my family, we are here for ya'll in anyway. Our love and prayers are for happiness in this sad time, so so so very sorry for your families loss.
