Growing up on Ann St. would have been so boring without you. You and Denise stayed in trouble, but you had fun! So many memories a lifetime full. I thought of you as a little brother and I will always remember you with love. As we grew up you were a superhero to my son and the other boys in the neighborhood. There will never be another like you David, I will always love you. You have earned your wings my friend, til we meet again.
