“ So so so many memories! Love you all and for one of the few times in my life, I am at a loss for words. I told someone today, if you ever met David you would never forget him. That was how he was....he made every encounter he had with anyone special and unforgettable!!! Whether it was a first time, casual meeting, a long time family or friendship, or the thugs he chased down the street, he was unforgettable! I am honored to have been able to call him my friend....but more than that. you have all been like my family.....

“ Pam and family! I am so sorry about David. We re-connected on Facebook and we spoke about growing up at Westside and eating bologna and cheese sandwiches on Friday nights at your Mom & Dad's. Those were good days and good memories. You all will be in my prayers in the coming days and what a reunion there must be in Heaven with your Mom, Dad, Janey and now David. May God bless you and keep you and know that I love you all!
