“ Although I had not seen David in years when I saw his picture with his beautiful smile in the NFP paper I immediately recognized him. I always enjoyed knowing him and Sally when they attended Burning Bush Baptist Church. Such wonderful people.

“ David will be greatly missed by me. I love him so much. He held a special place in my heart. We had our own way of communicating and he loved to make and see others laugh and have a good time. It will not be the same when I return to work but I will never forget him.
