“ ""Family reunions,and you were almost always there. Visiting with you at the Lake house and sitting on the back deck laughing and talking about funny times when we were growing up. Thank you for always caring for all of us!"

I love you and will miss you!

“ I regret my family never made it out to Lake Martin with you, even though we had an open invitation. Life just caught up to us and now it's too late, for this I regret. You were always one of my favorite uncles because no matter how much time had passed since we had seen each other you NEVER made me feel like you were judging me or thought of me as anything less than an equal when we did see one another. Mostly at Shepherd family reunions, or Christmas. The last time I saw you was Bertha's memorial. And I will always remember you as sweet and lighthearted. You will be missed dearly. The world lost an angel. I hope you are reunited with your sisters in heaven. I still miss Aunt Jo and my grandma Bertha very much, and I will miss you too. Love Destinee
