“ To David's family (especially Cotton and Doodle-Bug):
Our sincerest sympathy and compassion for your loss is sent to you from all of the Tucker family. David was a very dear friend and a good soul. He would give anyone the shirt off his back if he could help someone in need. We talked with him just a few months ago after his surgery and he seemed to be in good spirits; however, we didn't see him after he got worse. Please know that we hadn't forgotten him--we just didn't know how to reach him or where he was living. I'm so glad we got the chance to see him, however, before he got too sick to visit. Please contact us if we can be of any assistance in your time of grief. As you know, we have been there and know how hard it is to accept someone you love not being there like before.

We love you all and our prayers are with the family.

Judy, Jimmy, Kim and the family.
