“ At our Grandmother's house we had this big tree , perfect for climbing, that all the kids named "the family tree". We would climb that tree as often as we had a chance. Jess and I would stay closer to the bottom, however Lil' David and ZacMac always would climb to the very top. I would stay on the first level branch and watch in awe as they would scurry to the top with ease, and secretly wish I had the guts to do it. But David did! I will always love him and always miss him.

“ Always one of my closest friends in school. He could always make you laugh, and he always stood up for the underdog. He loved his mother so much, I hope he feels her love even now ❤️
