“ Sabrina and Mike and all who loved her, I am sorry for the sadness, pain and emptiness you have. I think of you both often and regret life is busy and keeps us at a distance. If there is family, there is love. MAKE TIME for loved ones. A cousin from Calhoun, GA, thinking of you.

I will miss her every minute of every day. We talked 5 and 6 times a day every day. We were each others shoulder to cry on and each others strength. I loved her with all my heart. Fly high my angel. You have the breath now. TIL I see you again.
