“ *I was very saddened to hear about the sudden passing of this sweet person. I worked with her at Wilkins and believe it or not - although we were not close friends - I felt a certain kinship with her because she gave off such a gentle but determined aura. She seemed like a strong woman and I admired her. I know she will be greatly missed. To her family - words cannot express the deep sorrow that comes along with losing a loved one but I pray your hearts will heal and God will bless you with sunshine in keeping her memory alive.*

I loved this sweet lady very much. I worked with her at Wilkins Research. We had been riding together to work over the last couple months and had gotten very close. She was always checking on me to make sure I had a ride. We spoke several times over the week before her passing as we were both sick. She was so giving ,always putting others first. She loved my Granddaughter Raegan as her own. Always having a little something for her. My heart aches although I know the Angels are rejoicing. Until we meet again sweet lady. I love you.

“ I'm so sorry to hear about this, Debra was such a sweet lady! I know she is in heaven now singing at the top of her lungs and giving praises to our Lord and savior. She will be greatly missed on earth but just think of all the joy she is having sharing her voice with all the others that have left us. My heart goes out to Lucy and her family and I will keep you in my prayers

“ I had the pleasure of working with Deb for several years at Wilkins research. Debra has been a positive influence in my life. Graced with a loving heart and the kind spirit she was always willing to share whatever she had with others. Especially her saltine crackers! She was able to bring a smile to others on the toughest of days. She will be sorely missed and thought of kindly by all who knew her.

“Debbie has been part of my life for at least 25 year's, over the the year's she became an awesome friend, My Brother Gene, my sister Rhonda and myself, started a gospel group we called" The "Revelators", Debbie joined the group, and we went out singing .We has some great times in the Lord. After a while another friend joined us, his name was Ronnie Young. Of course there was Lucy, She to started traveling with us at the age of 2 month old. I have a multitude of memory's with Debbie and Lucy, They will remain with me forever. We went to church together, sang together, prayed together, worshiped the Lord together, they were a part of the family. I know Debbie is singing in the Angels Choir.
