“ *Today, I was made aware of Debbie's earthly death. We attended church together when we were children. Even then, I recognized a sweet spirit about her. She has the most wonderful parents and sister. My thoughts and prayers are with her family during this time.*

“ *Debbie had a way of making everyone feel special and indispensable. It didn't matter who you were, she found that special something in you and helped you (without you knowing it) to shine that light for everyone else. Debbie was a special angel before her passing. Praying for your family.*

“ I offer my heartfelt sympathies to Burt and the family, Mr. and Mrs. Hicks and Cindy at the passing of Debbie. Indeed, she was a special person and a special Gordon Lee Trojan. From the time I met Debbie in Mrs. Van Nostrand's 3rd grade class at Pond Springs Elementary through our high school years and graduation in 1974 at Gordon Lee until our 30th high school reunion in 2004, I will always remember her as one full of life, personality and a heart for service. Debbie was a nice, sweet and caring person that made those around her better for having known her. I am privileged to call her my friend and though my heart is heavy, my prayer is that she rest in peace and our Lord provide His comfort and love to all her family for this hour and the days ahead. God bless all of you.
