Wesley and family, my heartfelt empathy and sympathy over the loss of beautiful Lynn, I was blessed to be a part of her stay at Oakview and fell in love with her and the family, it was always a joy for her to be brought by the office while out on a stroll, and when we heard the piano playing a spiritual tune on early mornings we often found you and Lynn at the piano, always a smile on her face. Much love and prayers.

“ Lynn's smile was one of the brightest smiles I've ever seen. And she
had a tiny little giggle to go along with it. That's what really set her
apart, for me. Oh how her daddy loved her!
