“ I have very fond memories of Debbie and the entire Price family. I love you all and pray for God's grace. I met Debbie in Junior High school at East Ridge. We soon became good friends and went to the movies together before I ever drove a car. Mom took us to Eastgate and dropped us off. She always had such a beautiful smile and disposition. I trust Cleveland is with her and both are smiling.

“ *Debbie was a special friend will never forget our trip to Boston together, and getting lost going to Myrtle Beach South Carolina, and seeing Cleveland before he went overseas. We helped each other during the good times and the bad. We didn't get together much but she knew all she had to do was call me and I would be there. Debbie wasn't only my friend she was my sister. Love you Debbie will see you on the Golden Shores of Heaven.*

“ *I have been extremely saddened to learn of Deborah’s passing. She was a wonderful person, and kind beyond measure. I can honestly say I made a friend for life after working with her. The world is less rich without her smiles and sweetness. I only wish I could bless others the way she blessed me. I know the family is reeling from all of this. My prayers for you all.*
