“ *It's hard to say good-bye to someone that you love, although you know they're safe with Jesus up above. It doesn't make a difference if they're in their later years, it only means more memories to carry through the tears. Don't let yourselves forget, we each have numbered days, for reasons that we do not know God wanted it this way. Tears wash away the pain, but it can't remove the love, the memories live forever safe in God's hands up above. So today we give thanks for the lives we chance to share, no matter if they're short or long God always will be there.*

David, our thoughts and prayers are with you and your loved ones during this time. May God wrap his arms around you and bless you all.

“ *Every special person who touches our life,
Leaves their own unique mark on our heart.
A mark which can never be chizzled away,
Even if the years eventually pull us apart.*

*We can take on their expressions and such,
The more we share of ourselves together.
It's those little things about another person,
Which can remain a part in us forever.*

*People who we have met throughout our life,
Become a part of the person who we are today.
We learn and we grow from the relationships;
Each one touching us, in it's own special way.*

*We laugh about spending too much time together,
When we think we have become like each other.
But it just shows how much we've been touched,
By the relationship we have found with another.*

*Those special people who can touch our lives,
Are like precious jewels amongst life's treasures.
They shine on us and leave a lasting impression;
An unique mark on our heart;
A gift without measures.*

“ Our deepest sympathies to the entire family. David has told us what a wonderful sister she was. I know she will be deeply missed but the fact that she is with The Lord gives us all a reason to smile. God be with you all.

“ I wish I had gotten a chance to spend more time with Debra, but the time that I spent with her I was stuck by her beauty, intelligence and sense of humor. I am grateful that David got to be with her and spend so many special days with her before she went home to be with the Lord. She will greatly missed by all of those that loved her. So thankful that she is no longer suffering and in the arms of our precious Savior.
