“ We had the blessing of being in church services with Sis. Della numerous times during special singings, revivals, etc. She was a lovely saint of God, and her countenance always reflected our Lord. She is now in the very presence of our Savior. She has run her journey in life with patience and completed her course. We will see her again if we put our complete trust in the Lord and look to him for help. Sister Della will be missed, and you all are in our thoughts and prayers during this difficult hour.
