“ *Kaye was such a sweet lady. I'm so sorry for y'all's great loss. I know she will be missed dearly by those who loved her but, she is no longer in pain and she has done something we should all be looking forward to.....she has seen the face of our Lord Jesus Christ.....WOW!!!! May God wrap His loving arms around you all and give you comfort and the peace that passes all understanding which ONLY comes from Him. You all will be in my prayers in the days and weeks to come.*

“ *I lost a wonderful friend today. We shared many good times together, If Kaye was your friend and she liked you, she couldn't be beat. I will miss the phone conversations. the lunches and even the cute Drs we got to share together, Most of all I will miss the laughter and the gift of a true friend but I know in my heart we will stroll over heaven again one day and until then you keep on shining with your beautiful and loving heart. I love you Kaye.. See you soon.*
