“ I have so many memories of Dough. She was so much fun to be around and laughed all the time. She took time out to do and to give to others. Fun times at the farm at our family outings. Always loved a party. I know she is in Heaven and is not sick anymore. This sister-in-law is going to miss her. I'm sorry I will not be there with the family as I am in Hawaii at present time. My thoughts and prayers are with you all. With all my love, Brenda Keesler

“ *I never had the pleasure of meeting Dolores, but I knew of her through Jim and Shelly. I know she'll be greatly missed, but be of good courage, for we have that promise through our Lord and Savior Jesus Christ, the day will come when we'll be reunited. We take comfort in these words! With love and prayers, Teresa Killian*

“ *We didn't get to know you for very long, but was so happy to meet you for the first time last year. We conversed online for a few years and when meeting you the first time we felt as if we'd knew you for years. You accepted us with open arms into the family and we love you for that.*

RIP sweet lady and we'll see you again some day.
