“ There is not a particular memory, all of them! Every time we saw "GaGa", she was always the friendly, smiling face that gave us a better day. Rest in peace, sweet lady. You have impacted so many lives. You will never be forgotten as an example of how to treat other people.

“ I love, love,love this precious lady- Never has there been a time in her presence that she didn't show unconditional love and was always such a kind, loving, compassionate and giving lady- Such a wonderful example of God's love on earth. Now she is with her precious love and rejoicing in Heaven until the glad reunion day in Heaven. My love and prayers are with all the family.

“Gaga. When you first came to Manorhouse you were introduced to me as Mrs. Crabtree. You were always quiet, very polite and soft spoken. Always had a smile on your face and quick to nod your head to say hello. The more I got to know you the more you became GaGa to us as well. I will miss our talks about your tree and telling me about the blankets you had made. It felt so good to sit beside you and watch you crochet. It made me feel like I was sitting with my own grandmother again as she was teaching me how to crochet. I love you GaGa and I miss you. Rest in peace sweet angel.
