“ Mike has been our neighbor and friend for over 30 years. He was always the unofficial "Neighborhood Watch", always looking out for all of his neighbors. He was always willing to help in any way he could and was always fun to talk to. We will miss him dearly and will always look out the window and expect to see him mowing his yard. Rest in peace, dear neighbor.

“ *Mike was a long time childhood friend. There was only a month's difference in his age. His sister Jackie and I were best friends. I would get to see him when he and his sweet wife came into the Walker Co. Tag office. I know how hard this can be on the family but God is always in charge and I am glad that Mike was a believer. Praying for the entire family!!!*

“*Mike was a great man!!! Always had a smile on his face and something funny to say. When I decided to drive a truck, I did so in part because Mike had done it for as long as I remembered, and it seemed to be a good way to provide for my family and a future. He was always very helpful and kind. I remember when I lived with my granny, if it snowed and the power went out, Mike would come get us and we would stay with him. I looked up to and admired him very much. The world has lost a great man and heaven gained an amazing angel!! He will be missed but never forgotten and always loved and remembered as family!!!*
