“ Eddie and Alex were my neighbors for 8 years when I lived in Georgia. My husband and I often spoke about how lucky we were to have such good neighbors. Eddie was always ready with a kind word, a wave, a smile. Since my husband traveled a lot for work, Eddie was always more than ready to help me with anything I needed (including jump starting my car more times than I care to admit). It was nice to have a neighbor who loved animals, especially cats, as much as I did.

We had some great conversations over the years... And I wish we could have had many more.

We are devastated to hear about Eddie's passing and are heartbroken for Alex. Our love and prayers are with the family.

“ My thoughts and prayers are with Eddie's family and friends. I was heartbroken by the news. Eddie was one of a kind- rare and as brilliant as a diamond! I feel as if I lost a best friend though I never got the opportunity to meet him in person. He will be missed by anyone that had the pleasure of knowing him. I hope you find comfort during this time knowing how much Eddie was loved by all of us here at Cigna. May he rest in peace and may you find strength from the outpouring of love for him. Eddie, like I always told you...

“ Although i have only worked with Eddie at Cigna for the past few years- he was a Rockstar! I could ask him for help or ideas on any work issue and he was right there, always. As a teammate he is probably one in a million and will be missed greatly at Cigna for sure. My deepest condolences to his family, friends and fellow co-workers.

“ My condolences to the family and friends of Eddie. I have worked with Eddie at CIGNA Healthcare for many years. He was always so kind to me. I will always remember he had a great work ethic and treated everyone with kindness. One thing I will remember the most is Eddie's love for music. Eddie could always be counted on when I needed help. He always took time to assist. I will miss you Eddie.

“ I am so very sorry to hear this sad news about Eddie. I was fortunate to work with him at Cigna and count him as someone you could always depend on. Whenever I needed anything, he was there to help me figure it all out. Eddie was always pleasant, friendly and so knowledgeable about our systems. I was always happy to see him as the contact on an account I was assigned to, I knew everything would be done right. He was always glad to help anyone and was one of my "go to" experts. I will always remember Eddie as a dedicated, hard working Cigna employee and am privileged to have known him. My condolences to his family and friends.

“ I was so heartbroken to hear of Eddie’s passing. We both started working together in the Dental department and continued together on some of the accounts that we had together in our different positions at Cigna. Eddie was one of the sweetest people I have ever had the privilege to meet. All my thoughts and prayers for Alex and the family. Eddie will be missed tremendously.

“ Liz, Danny and Ronnie, I am so sorry for your loss. I babysat Eddie when he was a newborn, along with Danny, Ronnie and Toby. They were the best behaved little guys and I love them. I pray for you to find comfort in the beautiful memories of Eddie. Brenda Plemmons

“ I'm so sorry to hear of Eddie's passing. He was a great co-worked, always willing to help you, professional, courteous, and kind. He was a very nice person, we are so saddened by his passing. He would take the time at Christmas to send me a personal Skype message, wishing me and my family a Merry Christmas. I received a Christmas card from him and Alex just this past Christmas, he was such a thoughtful and kind person! I never had a cross word or problem with Eddie. My deepest sympathy for his family. I worked with Eddie for many years at Cigna and I'm sharing a picture I had of him, another co-worker who retired, and me when Bob retired from 7/29/2009.

“ I am terribly saddened to hear of the passing of a dear, childhood friend. Eddie was a friend of my brother's, but he was at our house a lot. We used to laugh together and he was the first person to take me to a mall. He also was the first to teach me about loving and appreciating friends who may have different viewpoints from my own. Once I had to write a speech for my 8th grade graduation and he aided in the development of a very fine speech delivery.

He will be terribly missed and please know I hold Eddie in high regards and pray all of his family can find comfort and peace in the memory of our beloved Eddie. Love, Velvet Underwood Mitchell
