“ *I have known Deric since 6th grade and he was always such fun to be around and just a great person. I did not know about what had happened until long afterwards since I had moved from the ' Valley ' and sad news to hear ... he was a good friend that could always bring a smile to your face!!!*

*Deric ... just want you to know ... ( to this day ) ... I STILL cannot hear " A Little Dust on the Bottle " without you crossing my mind :0)*

*You were always a good friend and prayers are with your family and all of your friends ... you could always make me laugh ( and everyone else for that matter ) ... Rest In Peace!*

“ Brian and I are sorry for your loss. I met Deric in High School and we had many great memories. Deric and Brian did alot of growing up together. Just last night Brian was telling me about how he and Deric would run the neighborhood driving neighbors crazy on their dirt bikes and 3 wheelers. Deric had a big heart and he will be truly missed. No words can minimize the pain, but if you need anything don't hesitate to ask.

Love,
