“ *Diane was one of the most important and wonderful people I will ever know. I was shocked to learn she had passed just yesterday 10/28/2016. I am so truly sorry. The world has lost someone that made such a difference in so many lives including me. I will always remember her and love her. Will look forward to seeing her again when I go home and join her . Love you much Diane.*

“ *Diane was truly a nice lady . Spoke to her many times about animals and discovered her passion for training and loving dogs. Something we both loved and enjoyed talking about. I'm so sorry for her loss. God Bless this sweet ladies family.*
