Tammy,
I am so so sorry to hear about the loss of your Mom.
She was a warm person and I liked her immediately.
And, the way she took to Dawnn when she was little, filling her life with love and playfulness really touched me. I'm sure that seeing Dawnn reminded her of when you and Toni were that age. I think that was partly the reason (and of course she took to Dawnn right away) that she wanted Dawnn to stay the night with her. I won't never forget how she fixed up the bedroom with stuffed animals and then fed her chicken and stars soup. That was the first time Dawnn had chicken and stars. She still loves it to this day. That and potatoe soup is what she wants when she's sick.
I know that you two are heart broken and I can't imagine what you're going though but always know that Jesus, your Comforter is always with you ! He will carry you when you can't carry your selves.
You and Toni and Tim are in my prayers.
With Love,
Kim
