“*Mary, I will be thinking of you today and keeping you in special thoughts and prayers in the days to come. I always appreciated Junior for welcoming me in his home and never minded me stopping by to visit with our Florida friends/family when they were in town. He was always kind and generous. May Junior rest in peace now. Love you Mary! Stacy*”

“*Junior you will be missed so much, you're in a better place now. It's going to be strange with you not sitting at your desk and playing your "poker" games. I know you were good at it. Thanks for all your kindness all these years when I came to visit my best Buddy Mary!!! Again you will be missed.*”

“ *Jr's generosity will always be remembered...there were many times this man had to deal with a house full of female visitors stealing his bathroom and his massive sunken tub as well as treating us to many meals! Mary, you are in our thoughts and prayers and we love you.*
