“ *MY Uncle, To me he was the greatest man in the world in my book of memories. He might have never known but I cherished him in every way. This man was so kind and loved his family with every drop of life he had within himself. I have fond memories as a child of him playing with us and he taught me how to ride a bike. he laughed so much at me because the big tree he had in the back yard and I would hit that thing every time I tried to go around it. Thank goodness he stopped me from doing that. He would also talk to me about things that I hold dear to my heart to this day. Louise always made sure we had a good lunch everyday, can't remember having breakfast or dinner, which I am sure we did. Her tuna sandwiches I remember well that's why I can only remember lunch. My Aunt Louise was as kind as Donald they where so much fun. We always had summers filled with all kines of excitement. My mother (Helen) his sister was the favorite of all his sisters. Louise thought of her as a sister, but best friends as well. As time went by we all drifted apart , but in our hearts the love remained alive. I will forever miss him , the loss is very painful. My condolences to the family.*
