“ *Linda, when we think about all of our times spent together--double dating, going on trips together, picnics together, our daughters playing together all day when we were neighbors, we are both sad and happy; sad because of our loss of Don and happy because they were such fun times! We want you, Donna and Cindy to know that we are so sorry for your loss and please know that you and your families are in our prayers. We love you all and feel fortunate to have shared your friendship all of these years.*

“ I remember Don as a helper! He loved waiting on everyone that came in the Ace Hardware in Chickamauga. He was always willing to listen to their troubles and help them in anyway!

I was deeply sorrowed to hear of his passing, but know he is in a better place and serving those in Heaven who are with him there.

I am fighting a back problem and was not able to come to the funeral and pay my respects.

I know you will greatly miss him, but know if you have part of the faith he had in his Lord you will see him again one day.
