“ Patricia & Marvin I don't know if you will remember me but we went  
Rock Spring Elementary & Patricia you accidentally gave me a  
black eye when we were playing softball during PE across the road  
from the school. I was hindcatcher that day Mr. Frank Heath was  
our teacher & you hit the ball out of the park, let loose of the bat,  
took off running to make your Homer & the bat came back & hit me  
in the forehead. We had picture day the next day & I had mine  
made dinner & goose egg all. I'm sorry about Donald. I thought the  
world of all of you. I often wondered what became of you after we  
left school. Your family are in my prayers.
