“ He was always there to give advice for me. He was always there for anything I needed. I don't know what to do without my daddy. I loved him more than he realized. I only wish I could have done more for him. I know he is with Jesus now and he is watching over me and my babies. I know he is holding my baby Matthew right now. I only wish I could talk to him one more time. I love you my daddy and I miss you and need you so much right now.
