“ I would like to add my condolences on the death of your beloved family member. Words of comfort and needed so we turn to the "Father of tender mercies and the God of all comfort who comforts us in all our trials "(2Cor. 1:3,4). Rely on our loving heavenly Father to cope with the sad time ahead as you go without her. My sincere sympathy to all.

Donna used to come and play in my backyard when she was a little girl, she always had a smile on her face, I just saw her a few months ago after many years and we hugged and the sweet smile was still the same as I remember as a young child, her parting words to me were "Pam we will have to get together sometime", my deepest sympathies to family and friends 🙏❤
