“ She prayed for all of us every day and taught the little ones how to pray what a special gift she had. She never lost her faith or her love of others, even when her body was tired. Such a faithful servant. She loved to laugh and help in any way she could and hated she couldn't do more. She was always so creative, so smart and resourceful. Man she could make something out of nothing! I can feel your hand holding mine.

She loved and collected angels and now she is one of ours. Kiss daddy for me.
