“ I love you mom and I am missing you very much! I need to go to the store and I would have text you already to ride with me to help with the kids. Now I don't even want to go. I will have days like this probably forever. I miss your calls just to ask how the kids are or to tell us you loved us. We love you forever!!!!

“ I will forever miss my aunt Donna, she was caring and beautiful inside and out. She would help anyone. And fight for what she believed and who she loved. I could always count on her for anything. She was there no matter what. I wish I could show love as she did everyday. I love you Aunt Donna.

I know Donna as my aunt Donna for a short period of time. She was married to my uncle. I was very young, but i remember her smiling face, how nice she was, and how beautiful she was. I hope she has peace in heaven with my aunt Susie.

“ *I was very saddened to learn of her passing. I knew her as Donna Narramore Lovell. She was my sister for a short time and as I came to learn she was a very kind and giving friend to my nephew and his mother. You were a great support to us when Susie died. Now you can take care of each other above. Thank you Donna for leaving us with such sweet memories of you. We are sad to know you no longer walk this earth spreading your kindness but we will always hold dear the memories you leave us with.*
