“ *I remember Donnie. I was a senior at Gordon Lee and he was a sophomore. He was tall, blonde and had beautiful blue eyes. I hate to see anyone die so young. I hope he had a happy life.*

I pray that by some miracle that you will see this posting. I'm trying. I don't know how you will but I'll put it in here anyway. But am I putting it on? Here it hopes that somehow you can get in touch with me. Don't want to put my phone number on here but anybody sees this information. This message I mean could you email me my email address? buzzhair56@gmail.com so if anyone sees this that has some information you can pass to me about Don's passing or and some information about it the last years of his life cuz I haven't gotten to talk to him in many many years. And I'm just beside myself reading this information today all these years after his passing. Thank you, Steve Evans
