“ Aunt Tina was one of my favorite aunts, almost like a 2nd mom. She was always full of laughs and life. I didn't get to see her often in the past few years, but whenever I was in town, I would get by to see her. I never left without a smile. We will all miss her terribly, but we have lots of great memories of her.

“ Tina was the one person I could always count on to get my Papa up and moving.
She was an inspiration to him and our family.

I haven't visited her in several months and feel really sad that I have missed my chances.

I always loved Tina and respected her.

What a great lady, mother, grandmother and great grandmother!!!

I will certainly miss her.

“ *How can I summarize what this precious lady means to me? As a child, I always looked forward to her coming to our house. She had the most infectious laugh and one thing was for certain, there was never a dull minute when she was in the midst.
Rest in Peace, AUNT TINA, until we join you on the streets of gold.
And to Brian, Tad and Tammy, you are in my prayers and I love you.

“ *My husband, Odell Williams, and I worked at Pond Springs School as custodians over sixteen years. We enjoyed working with Doris. She shared a lot of laughter with us. She had yeast roll smelling down the hallways that made our mouths water. She was a good friend. I visited her occasionally in the nursing home, and saw her bird. We laughed and prayed together. My condolences are with the family.*
