“ I would like to say to be absent from this body is present with our LORD. Your MOM was one of my best friends in Elementary school. She and I became friends from a fight we had, your MOM could fight. She was nice but, you did not mess with her. May GOD's love smile and each of you and give you joy for the spirit of heaviness and a dance to complete that joy.

“ Ms Doris you were like my mama too. You were a very loving, happy lady and I will miss you. I remember you loved music and we'd play whatever you picked out to listen to and we'd sing and act a fool. Also remember the many many hours we spent coloring. You were such a joy to be with and I loved every minute of the times I got the pleasure of caring for you. I know you are singing and dancing and spreading joy in heaven like you did here. Love and miss you. Karen
