“Doris was a cousin and I have fond memories of her at a very young age. We lost touch after her mom’s death but years later Facebook brought us all back together. I’ve enjoyed talking with her and I’m so sorry she has passed away. My condolences to all of her family. I love y’all and again I’m so sorry.

“Doris was one of the best friends I had. Everyone said that God put her in the apartment beside me for a reason, and they were right. I was grieving over my Dad and was staying in all the time. She got me out of the house. She became my best friend. I love her and I'm going to miss her so much. She was a very special Lady! I Love You Doris! Thank you for being my friend.
