“ *The Lee Family was such a special Family. My father and mother (Ned and Ernie Bowman) were in great need in the late 1950's: Otis and Emma (Doris's siblings) reached out to my parents during that time of greatest need. Otis was Ned's best friend. Doris's parents, Gus and Emmie, would have been so proud of their children. So much love the Lee family. My email is ndbowman@aol.com if anyone would like to contact me.*
