“ *My deepest condolences to all of the family, Doris will always be remembered as an Angel who is very kind, sweet and a beautiful lady. I hope God comforts all of you during this difficult time of your loss and going through the tough days ahead. She was very sweet when our Mom passed away, and we will never forget her thoughtfulness to all of us throughout years of growing up. God has a special Angel now and forever she is not suffering anymore.*

*With Love from all of us,  
Jan, Jackie, Donna and Kathy Berry*

*Hey Y'all. I am very sorry to hear of Doris' passing. She was one of the sweetest ladies I have ever known. She was always quick to smile, given to laughter and always made sure she gave me a hug regardless of where we ran into one another. I always thought she and your dad were a great fit.*

*Unfortunately, I am on night shift this week and will be unable to attend visitation; my shift begins at 6:00 pm. This bothers me a great deal because I remember Doris being there for dad, Debbie and me when Mom Passed. Please know that I am thinking of and praying for y'all. God bless.*
