“ *Doris and Sandra came into my family's life to help with my mothers illness.*

*I know in my heart - they were meant to be there. My father and I could not have gotten through the last two weeks of her illness - without the blessing of your help and kindness. Thank you for everything - please know your kindness, friendship and caring were valued by my father and I more than you know. I will be praying for the family for blessings and peace... From the bottom of my heart... thank you.. When we look at the stars at night - Doris is shining brightly watching over us all.*

“ *I was sorry to see Doris's passing in the paper. When we talked we would always say we were going to meet for a drink and we never did. Sandie, if there is anything I can do please call me. Again, I am so sorry.*
