“ I cannot express the depth of my broken heart to have to let Sis go home. We loved her so much it's hard to let her go. If only we could focus on how happy we know she is now we wouldn't want to have her back. We would just run faster in hopes of getting there sooner. But we know soon we will be together again & she won't be in pain. We will all dance, laugh & sing in Jesus presence then. I know Sis would want us all to prepare to join her there, away from all the sorrows, where we'll never cry again! I know if Sis could speak to us at this moment when we miss her so, she would tell us all how much she loved us & then smile that gentle smile that filled our life's with joy. I can hear her telling us not to be so sad because it won't be long until we will be with her again. Sis never missed our birthday's. She would always call us & sing to us & always make us laugh! She would never imagine all the people she touched with her life. Sis was just to humble to think she touched so many! If you knew her you blessed beyond measure & if you didn't you have no ideal what a precious soul you missed. I know heaven is celebrating to have her home with the Lord Jesus she loved so much! We love you Sis & can't wait to see you there!

“ *Still Waters Run Deep*

*Some of us shine bold and bright
like the star of Bethlehem
They light the way to Jesus
leading many lost souls to him*

*But for some who may be blinded
by a light that shines so bright
your little glowing candle
will light up their darkest night*

*Many times God needs the sound
of a rushing mighty wind
to get someone's attention
that may be running away from him*

*But some may not can hear the Lord
In so much turmoil and noise
but they can hear him clearly
in the whisper of your voice*

*God uses gifted speakers,
their words flow swift and free
like the raging river rapids
racing wildly to the sea*

*You have a meek and quiet spirit
but all will listen when you speak
though your words are softly spoken
we know still waters run deep*

*God inspired someone to write
of a woman, but we've heard
she was not a real person,
but a model that we may learn*

*If she really lived back then
her best traits in you live on
or it might just have been you
spoken of in Proverbs: thirty One*

Proverbs: 31:10-31

“ *Dorothy loved & referenced her Lord & Savior Jesus Christ!
She had a smile that could brighten up any dreary day!
Dorothy was a loving & faithful daughter, sister, wife, mother, and friend!
I watched her take such good care of her bed-ridden husband, with such love & kindness! One day she called me & said, "Dick, her husband," just came home from the hospital with a sore, & needed to know how to treat it. Me & Mickey went over to her house with the supplies she needed & she had that sore healed in no time! From that moment on, everytime I saw Dorothy, I reminded her that she was the virtuous woman from {Proverbs 31}!
Loving memories, Treva & Mickey*
