“Wherever a beautiful soul has been, there is a trail of beautiful memories.”

When I read this quote.. immediately it made me think of granny. Dorothy was everyone's Granny was always so pleasant, kind and never judged. She loves her family and friends so much! I loved having conversations with her and listening to her stories. I will never forget her having to go through the corn maze at the church during the fall festival.. her smiles and laughter!! She has always been an angel.

“*Shelia, Glen & Family - Aunt Dorothy will forever hold a place in the hearts of all my family. She loved us all even when we were not so lovable and often times kept us out of trouble with our parents! Many a weekend was spent with her & Uncle Jim riding bikes, slinging honey, gathering eggs and EATING more than we needed & spending the night with them! We always knew we had that extra set of parents if we were ever in need! Times were simple then & now she's looking down & smiling at the legacy she left behind! We love you guys and if you need anything please let us know...your adopted sisters/brothers/aunt...Susan Dempsey & Family*
