“*Wake up mama please wake up just one more time for me  
and tell me that you love me before you fall asleep  
Then a trembling voice speaks so low  
"Child you know I love you so but now let me go back"  
Momma where are you going ? Where have you been?*

*I've been walking by the water with God  
I've been strolling down by the Tree of Life  
I've been to the Holy Fountain where the Living Waters flow  
I've been walking by the water with God*

*She closed her eyes so peacefully and a smile came to her face  
Her suffering had ended. She had finished her race.  
Someone said we have lost her and I said oh no we have not  
She's just walking by the water with God*

*She's now walking by the water with God  
She's now strolling down by the Tree of Life  
She's been to the Holy Fountain where the Living Waters flow  
She's just walking by the water with God I love you Mom, and  
Darron!!!!*

“ I remember Dorothy, for about 67 years. as a young lady ,a great daughter, wonderful wife, a caring mother, close to siblings, a loving grandmother and a loyal friend. I count it a pleasure to have known her.She has moved on to her Heavenly Home. There she has received her Ultimate Healing. My prayers are with the family
