“ Mom,
You are my sunshine. I don't know how I'm gonna live without you. I will carry you in my heart and hold dear the memories that I have. Thank you for being the best mother a daughter could have. You taught me to be strong even when I think I can't, to dig deep and find the strength to go on. And I'm trying Momma I really am. I miss you so much, and We will meet again one day . Until then I love you.....

“ Aunt Dortha, they say the measure of a mom is how her children treat her. You are genuinely loved and adored, you're children are loyal, loving and unselfish in demonstrating their love for you. I will never forget you always sneaking me Hershey bars, singing Crystal Gayle with me and giving me my first novel to read. I can only imagine how amazing it must be to see our Lord face to face. We left behind envy you in that.

“ I love you sis. We had good times and bad but you never once forsake me even in the bad times. One of my earliest memories of you was when you lived down by the funeral home and you wore mini skirt and big boots. We didn't see each other much when i was growing up but we made up for it later. I love you and i will miss you terribly (you are the Only one who lied and said i play and sing well) gotta love someone who does that. Till we meet again goodnight
