“ *Forever my Dad*

*You were always the best dad  
and you did the best you could.  
I wasn't always the best daughter, but you always understood.*

*We didn't always see eye to eye and argued way to much.  
When I grew up and moved away, I didn't always keep in touch.*

*But as we grew older, we grew closer as a Father & Daughter  
should.*

*Once I found out what being a parent is like and I finally understood  
all the things you had done for me my entire life.*

*God called you home on Tuesday and we are all VERY sad! But, I  
know you'll always love me! Because you're forever, my Dad!*

*I Love you and miss you! I wish we had more time!! Rest in peace  
and I'm thankful that you can see again, and are no longer in pain.  
Until we meet in Heaven I will think of you everyday.*
