“ I will always cherish the memories of Chad and the big hugs he gave me each time we saw each other. He always told me he loved me. After losing J.B., Chad told me he prayed for me every night. I will never forget that. Sue, as a mom myself, I cannot begin to know what you are going through. I pray that you and Jeff will lean on the Lord and remember all the good times, knowing that there's another meeting place in Heaven. You both can draw strength from each other to get you through these difficult times. Herbie, I know you are feeling such an emptiness in your heart and life right now, but you can rest in the fact that you will see your sweet brother again. Jonathan, I know how close you and Chad were, and how you both enjoyed the Bowfishing with Jeff. Chad is waiting for all of us to be reunited in Heaven one day after awhile. I have been praying for all of you and will continue to do so. Love y'all so much! Mamaw Midge

“ *Herbie, your loss is beyond words Chad was a sweet and loving brother. Chad always gave huge hugs and an "I love you" every time I saw him. I know your heart is broken and that you two loved each other so much. With that the only strength to give you is that he is with our dad in his loving arms and that kinda brings a smile! Maybe that will bring you some peace. Sue, I can't imagine what you must be going through so I'm praying for strength and peace to get you through all these days. Chad was a sweetheart and hopefully God will give you peace. Herbie, I will forever be here for you along with Kaye and Michael! Love you always!!!*

“ *It's always hard to lose someone so young. Even though we weren't together often enough. My memories of Chad are loving and very special. He was such a sweet boy. I'm so sorry Herbie that you won't grow old with your brother. I remember our last conversation when Chad had been in the hospital the first time. I know you were a good brother to him and he loved you very much. Let's remember the good that was our brother and know that he's in heaven with our sweet Dad. I'll keep you close in my heart and prayers. Love you always.*

“ I'm so thankful for the memories I have of Chad, Herbie, and Rodney.
They were together all the time, summers especially, and at our house daily for a number of years. Chad and Herbie never left without kissing and hugging me bye. I miss that but I have great memories. The comfort I get from this is he is with his daddy again and Dewayne loved his kids.
Chad I love you, you will always be in my heart. Sue and Herbie, God will give you the strength to get through this but I'm here if you ever need me.
I love you!
