“ You will so missed by all, We will all stand by Cora Lea and make sure she will be OK. Cause I know this is what you would want, is her family and friends to be with her. I only got to meet you once, but you were a great man! And Cora Lea always talked so good about you, I know she loved you and she will miss you so much. So RIP my friend and my family!

“ *Dear Family,
You don't know me personally but I wanted to reach out to you. No words can take away the sadness that death brings only time can. But we can find comfort knowing that our Heavenly Father is "close to the brokenhearted, He saves those who are crushed in spirit" (Psalms 34:18) May the GOD of all comfort embrace and hold you tight. Please except my warm condolences.*
