“ We have so many wonderful memories of Doug. I never saw him when he wasn't smiling! So many childhood memories of just laughter and pure joy when Doug was in the room. A light in this world has just darkened, but heaven has just received an angel. I am sorry that my mother and I weren't there for all of you. We knew his situation was grave, but didn't know he had passed until today. We will be in touch further, but know that you are in our thoughts and prayers.

We love you, Doug! Always have and always will. Thank you for making our lives better by being part of them.
